We had a round robin format tournament at the Frozen Feet Invitational. Below are the original brackets used to determine all places in the appropriate age brackets. These brackets include a number of age brackets however when determining places, we only took the correct matches from within a certain age bracket to determine the places. The reason behind this was, some of the age brackets were very small and that would have meant some of the rollers would have only rolled one or two matches. In order to allow for more rolling (as many as 6 matches), we combined some brackets in the round robin format. Awards and Super Series points are accurate within each bracket ABOVE.
